

Toronto Animated Image Society ANIMATED JAM SESSION 2010

TAIS is at it again with its annual Animated Jam session, or AniJam! This year's theme is... **Aqua!** Underwater critters and cephalopods, acid rain, flushing toilets, aqua flora and fauna, and any other idea you may have.

Create a ten-second long animated film that somehow encompasses our "aqua" theme! Use any animation technique you want. Submit it to TAIS and we'll edit the submissions into an Aqua AniJam film which will screen at the TAIS Showcase at the Tranzac in Toronto this June 24th!

Plus, we've got tons of giveaways!

Submit your films as quicktime files on CD/DVD-Rom, via ftp or link to your webspace with **attached submission form**, a brief bio and two 2 x 3 stills (high res jpeg) from your film. Format of all Aqua Jam submissions should be **720 x 480 Quicktime**.

Send your submissions to:

•*Who can enter?*

Anyone, anywhere! Just remember, if you're mailing your entry, be sure to get your film finished with enough time to spare for you to mail it to us by May 31st, 2010. Be aware, though, that we can't accept custom fees. To avoid fees if mailing from outside Canada, make sure to mark "NO COMMERCIAL VALUE-CULTURAL PURPOSES ONLY" on the envelope.

•*Is there any submission fee?*

Nope! Submission is free.

•*What techniques can I use?*

Anything goes! The only rules are that it has to be 10 seconds in length, it has to be animated or contain mostly animated elements (in case you want to do a live-action/animation composite film) and it has to encompass our aqua theme in some way.

•*Can I enter a film I've already made?*

As long as it meets the above rules, it's in the proper format (720 x 480 Quicktime), and you get it to us by the May 31st deadline, you're golden!

•*Can I enter more than one film?*

Definitely!

•*Can I submit my entry digitally, either via email, through ftp or via my favourite file hosting site like sendspace?*

Sure thing! The only thing we ask is that if you are going to email your submission that you zip it up first so as not to clog our incoming email box. It can only hold so much at one time. Also, if you're going to submit online, please remember to include film stills, a brief bio and the official Submission form.

•*Will you use all the films you get?*

TAIS will only refuse a film if the board deems it to be really offensive (i.e. racist, homophobic...y'know, the usual no-no's). Don't worry, it takes a lot to offend us! Again, as long as it's a 720 x 480 animated film with some sort of aqua reference in it, we'll add it to the jam!

•*What will you do with my entry?*

All the entries will be edited together by TAIS into a single AniJam film...the AQUAJAM! The film will first be screened at the TAIS Animation Showcase on Thursday, June 24th at the Tranzac Club (292 Brunswick Avenue, Toronto, ON, Canada). After that, the AniJam film will be uploaded to the TAIS website, YouTube, and possibly Channel Frederator. As well, the AniJam may be screened with the TAIS Animation Showcase at various TAIS sponsored events throughout 2010.

•*Should I put my contact info into my film?*

Completely up to you, but we'll be putting all the filmmakers names in the film's credits and on the TAIS website...so you don't need to waste precious seconds with a big splash page!

•*Can I get a copy of the final AniJam film?*

After the TAIS Animation Showcase, a full-resolution version of the film will be uploaded to an FTP server for individual filmmakers to download. We can also mail you a copy of the film on DVD. Just send us a CD-sized envelope with the proper postage.

•*Are there any prizes?*

Yes! The fine folks at The National Film Board, The Beguiling and several other organizations have hooked us up with some great prizes, including Animation DVD compilations and graphic novels signed by the authors for the event! Prizes for films will be awarded following the TAIS Animation Showcase event.

•*I still have a question...*

No sweat. Just give us a shout here at tais@bellnet.ca, or call us at (416)-533-7889.
